

## EXPERIENCE

2012 - 2015

Senior/Web Designer *Graphicus Design*

Part of a small team of designers creating various printed material including logos, stationery, magazines, ads, catalogues, flyers, postcards, programs, and pamphlets. Also, the main designer/developer of websites, eblasts, wordpress, responsive sites, and any domain/hosting/account changes. Sufficient experience with multi-tasking daily office responsibilities, social media, timesheet management and client phone calls,

2006 - 2015

Freelance Designer *Various Clients*

Experience in creative branding, page layout and website design, problem solving, time management, photo editing and research. I've worked with multiple clients on their websites or marketing material in order to improve the brand and image for that company. The design work handled is anything from new a logo or layouts to updating existing websites or company materials.

*Clients including: L & Z Tool Inc, Presperse Inc, Wildland Warehouse.com, Ryco All American Awards LLC, Publish America, Clean Productions LLC, Perinata Inc, Eagle Ridge Home Solutions.*

2006

Design Intern *Supermarket News – Conde Nast/Fairchild Publications*

Demonstrated strong creative skills with responsibilities including: layout design, cover photo retouching, designed department forms, photo shoot management, maintaining photography library, stock photo research, and fulfilling important deadlines.
